

2,990.09 Acres M/L in 17 Tracts

Haskell County & Gray County, Kansas

JANTZFARMSAUCTION.COM

Wednesday, August 4 at the Clarion Inn in Garden City, KS

EXECUTIVE SUMMARY

The Jantz Farms is located near Copeland, Kansas in Gray and Haskell Counties and situated just 38 miles west of Dodge City and 43 miles southeast of Garden City, Kansas. The farms will be offered in 17 tracts ranging from 1.69 acres m/l to 480.40 acres m/l via three consecutive multi-parcel auctions. The tracts can be purchased individually or any combination. Tracts 1 through 9 will be offered in the first multi-parcel auction. Immediately followed by Tracts 10 through 14, then Tracts 15 and 16. Tract 17 will be offered separately at the conclusion of the multi-parcel auctions as a single tract.

Jantz Farms is comprised of 2,990.09 acres m/l of which FSA certifies 2,781.29 acres m/l as tillable with 437.52 acres m/l enrolled in CRP that have annual payments totaling over \$19,901. Primary soils include the highly productive Richfield and Uly silt loam. The Jantz family has built extensive water rights over the years which authorize approximately 2,603 acres m/l to be irrigated through 18 well-maintained pivots.

The Jantz Farms has numerous improvements including a large acreage with a 4 bedroom, 3 bath home; a farm headquarters that includes approximately 150,000-bushels of grain storage with multiple large machine sheds; and a 273,000-bushel grain storage facility situated along US Highway 56. The entire farm is conveniently located near US Highway 56 with quick access to multiple grain marketing options including ethanol plants, cattle feedlots, and dairies.

FARMING OPERATIONS

ASSET OPPORTUNITIES

Jantz Farms provides a unique combination of plentiful water and high-quality soils at a large scale that is configured to provide several opportunities to potential Buyers. The Jantz farming operation creates value for prospectus buyers including:

- 1) above average yield performance
- 2) large scale, turnkey operation opportunities
- 3) opportunities for ongoing net income optimization

YIELDS/PRODUCTIVITY

The Jantz farming operation has been managed to optimize efficiency, production, and revenue. With the extensive water rights and good soils, these farms have primarily been in corn production with yield performance consistently above the county and regional averages.

SCALE/TURNKEY OPERATIONS

Jantz Farms provides a unique opportunity to acquire high quality irrigated farmland and the supporting farm infrastructure at a large operational scale. The grain storage and operational infrastructure provide a turnkey farm for large row crop operations looking for expansion or establishment in a new location. In addition, the size and location of this asset create a rare opportunity for dairies and feed lots looking to establish or expand their operation.

NET INCOME OPTIMIZATION

Jantz Farms is also well suited for owner/operators considering high value crop production or organic transition. The nearby large dairies and feedlots provide a dedicated organic fertility source and direct market outlet for forage production incorporated into the organic rotation. This combined with the controlled water and excellent soil quality make the Farms well suited for organic transition. High value crops including potatoes and onions are insurable crops within these counties. The plentiful water resources provide an opportunity to maximize revenue and net income through the integration of high value crops or organic production.

POSSIBLE TAX ADVANTAGES

Jantz Farms contains numerous potential depreciation opportunities for Buyer(s). The pivots and underground irrigation infrastructure may qualify for 100% bonus depreciation between now and December 31, 2022. This means the purchaser is allowed to deduct 100% of the cost allocated to the pivots and irrigation infrastructure. Additional depreciation opportunities may be available including but not limited to gas line infrastructure, electric infrastructure, wells, pumps, and gear heads. In addition, depreciation of the Ogallala Aquifer may be available by using a depletion factor.

*This information is for information purposes only, and is not intended to provide and may not be relied upon for tax, legal, or accounting advice. You should consult your own tax, legal, and accounting advisors prior to entering into any transaction.

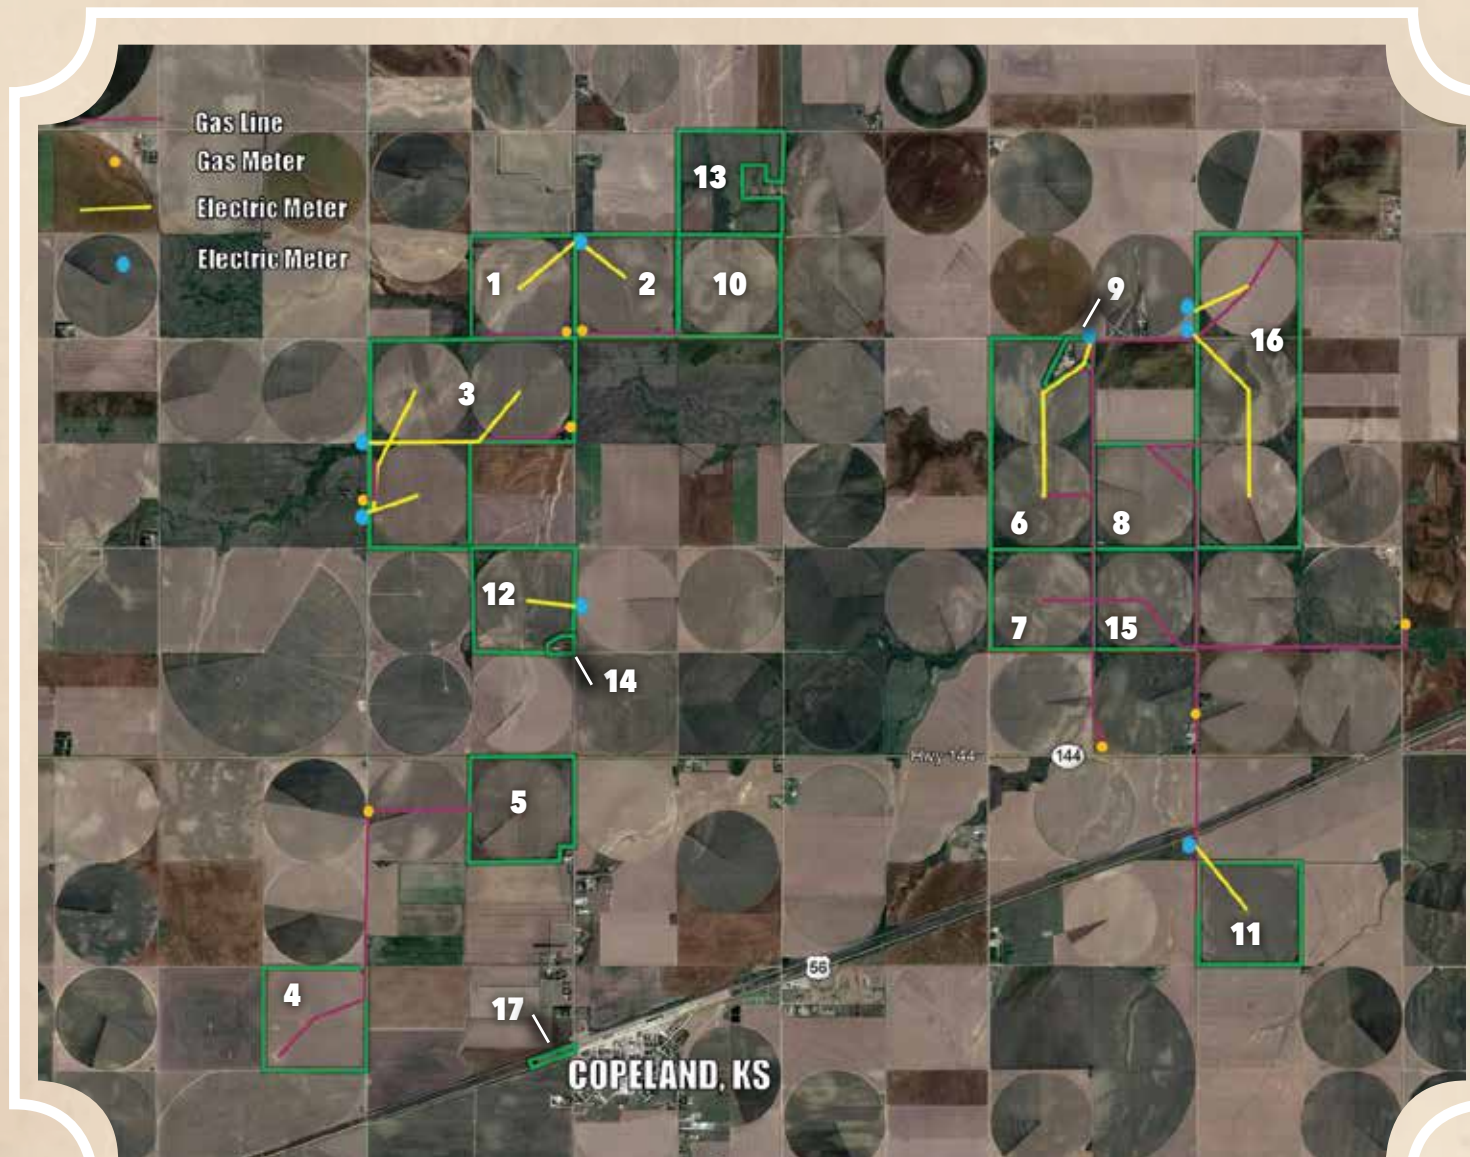

Farm

Fresh

Recently, Hilmar Cheese Company announced the expansion of a new, state-of-the-art cheese and whey protein processing plant to be constructed in Dodge City, Kansas. Expected to be fully operational in 2024, this facility will utilize over 30 million gallons of milk a year to produce various cheese and whey products. The Jantz Farms provides a unique scale opportunity to new and existing dairies that may be looking at expansion opportunities.

GAS & ELECTRIC

All lines and meter locations are approximates and are subject to change. Please contact Midwest Energy, Black Hills Energy, and Victory Electric for more information.

Natural gas for the farm is supplied by Midwest Energy, Inc. and Black Hills Energy. The gas lines are currently controlled by 8 meters. Winning Buyers will be responsible for installing new lines, if needed. If the tracts sell separately and a new meter is needed, they will be installed by Midwest Energy, Inc. and Black Hills Energy at no charge to the new landowner.

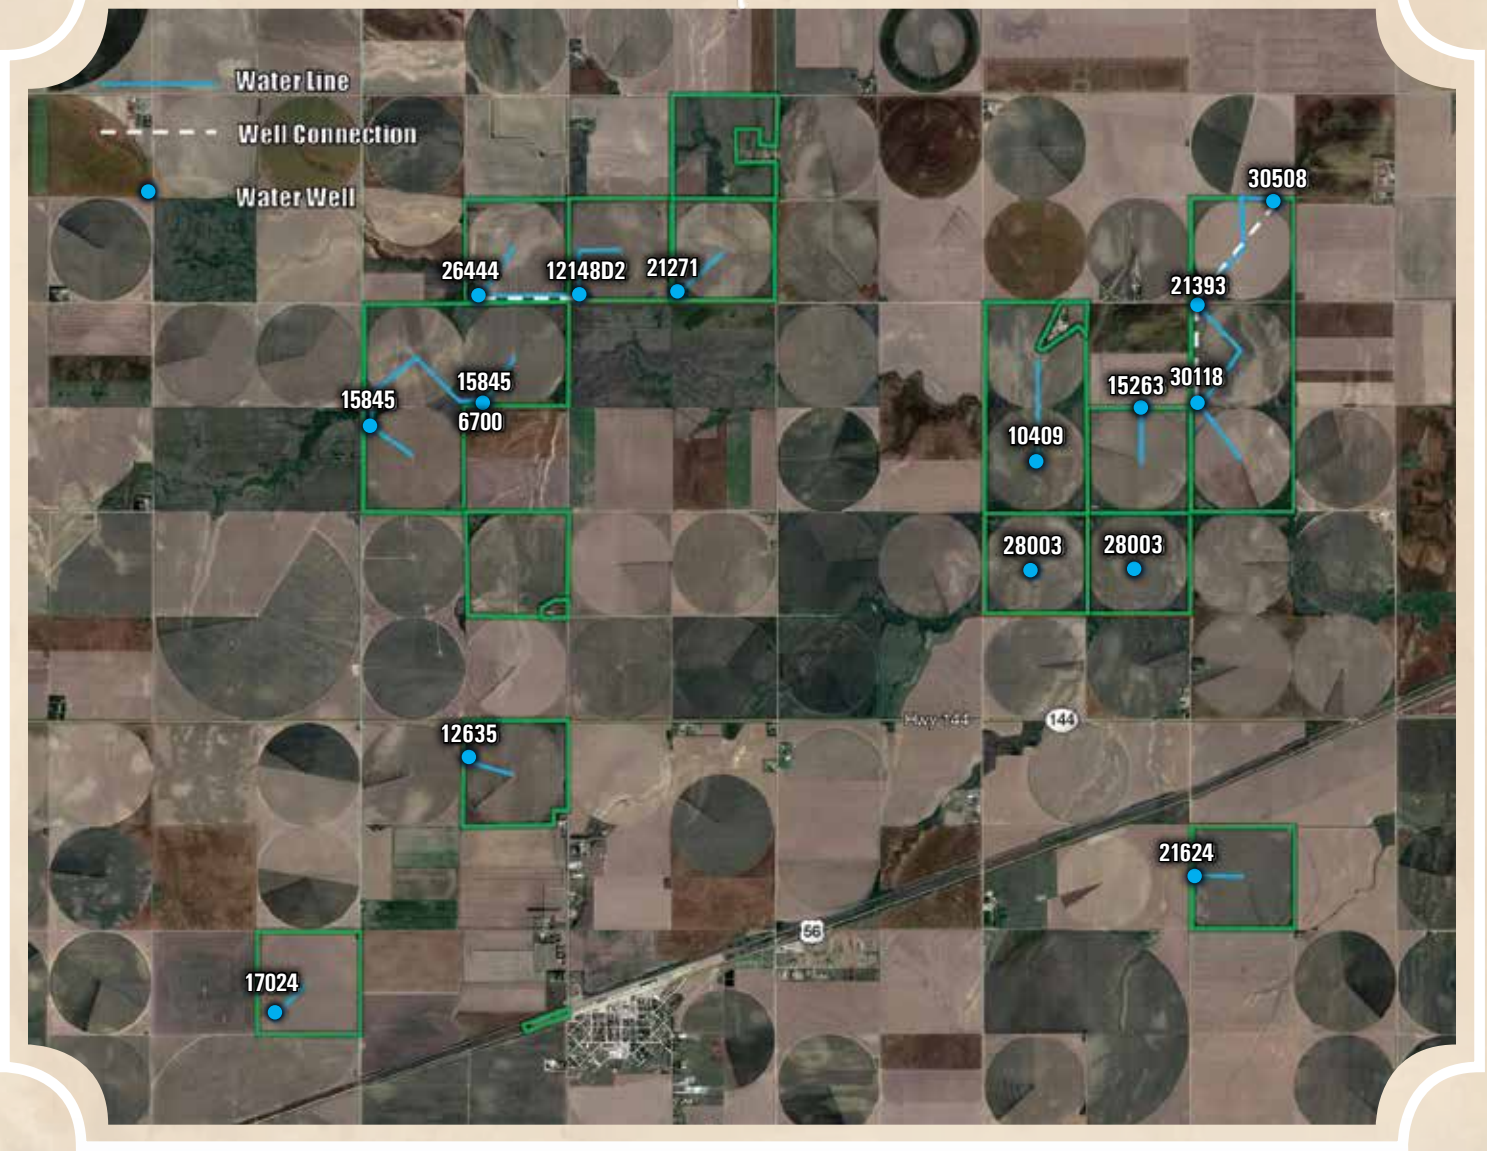

Electricity for the farm is supplied by Victory Electric Cooperative, Inc. The electric lines are currently controlled by 8 meters. Buyer will be responsible for installing any new lines, if needed. If the tracts sell separately and a new meter is needed, they will be installed by Victory Electric Cooperative, Inc.

WATER RIGHTS

This map provides the active points of diversion, all groundwater wells on the Farm, and the associated water right for each. The map also shows the well connections that are currently in place.

**Active Points of Diversion were retrieved from and can be found through the Kansas Department of Water Resources*

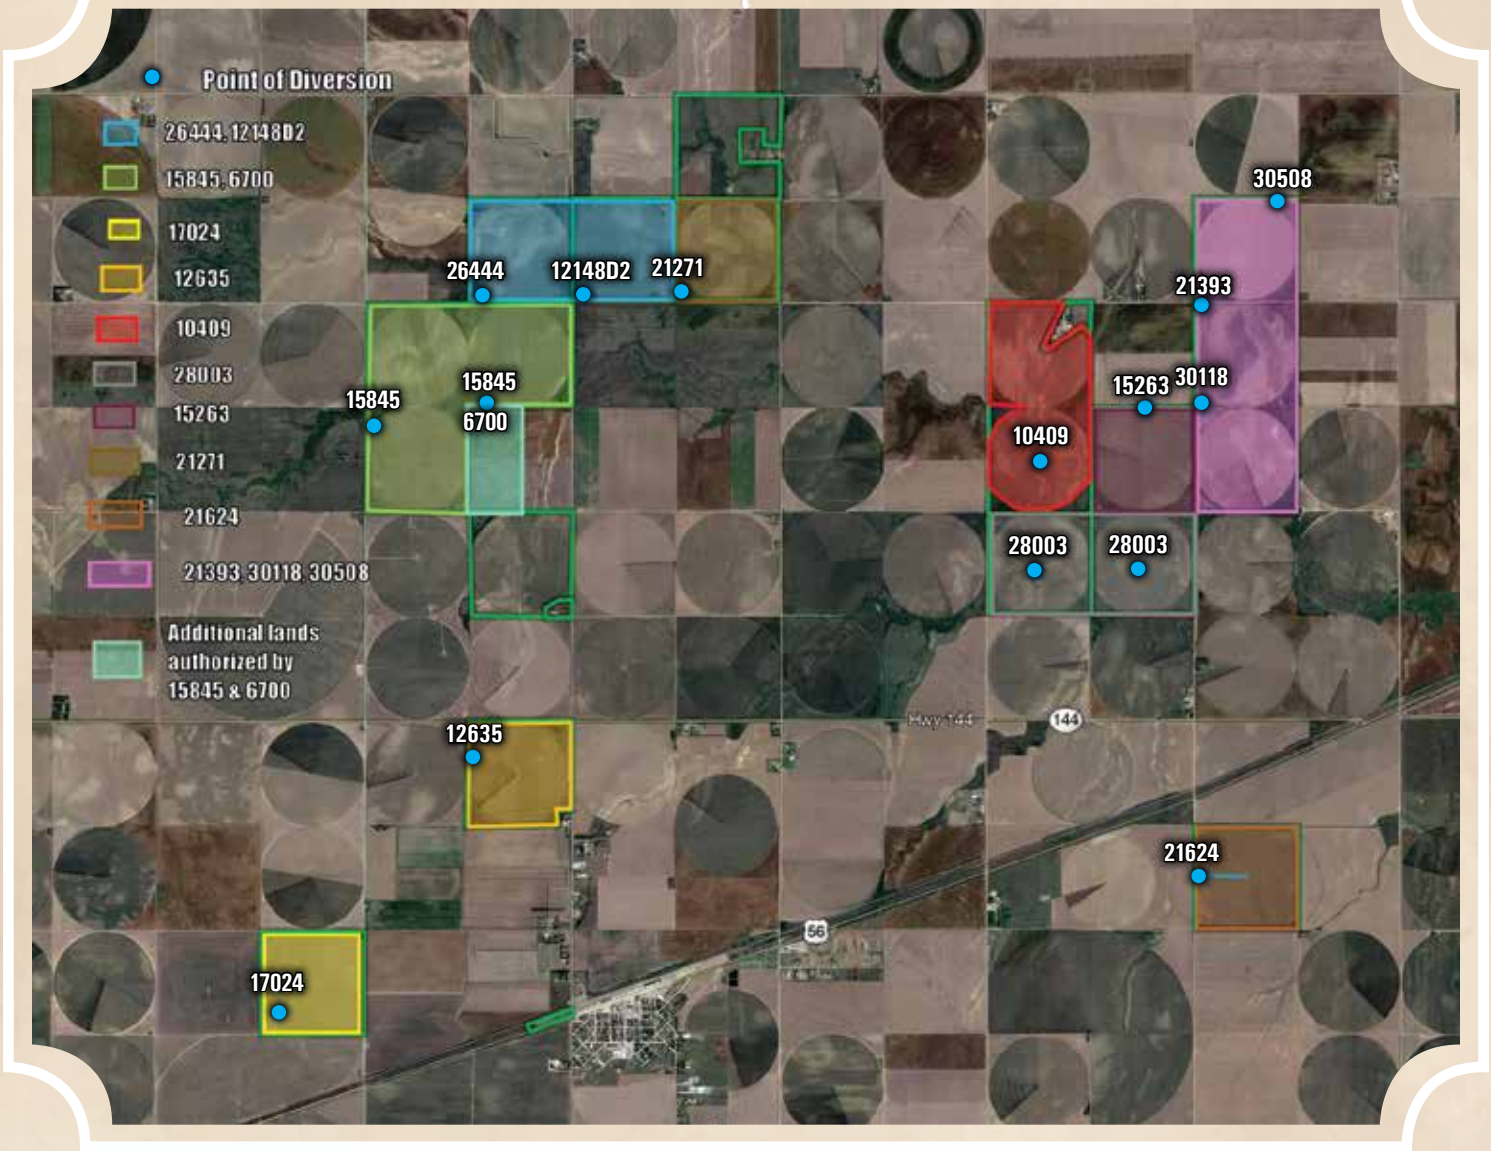

ACTIVE POINTS OF DIVERSION MAP

This map describes the current registered place of use for each of the water rights. Overlapping rights and/or place of use across tracts that are purchased by different Buyers at auction will be corrected by the Seller through filing applications to divide water rights and/or filing applications to change the place of use after the auction and prior to closing.

**This map depicts the approximate boundaries of the place of use for each water right. Place of use was retrieved from and can be found through the Kansas Department of Water Resources. Buyers should do their own investigation regarding place of use.*

PLACE OF USE MAP

158.10 ACRES M/L

BRIEF LEGAL: SE 1/4 of 19-28S-30W
ESTIMATED REAL ESTATE TAXES: \$2,947.84

TRACT 1 totals 158.10 taxable acres m/l that consists of approximately 156.05 FSA cropland acres m/l of which 23.99 acres are enrolled in CRP through October 2030 with an annual payment of \$1,401. Primary soil types include the productive Uly silt loam and Dale silt loam. Tract 1 is improved with one pivot which provides irrigation for approximately 123 acres. Located on the northwest corner of County Road CC and Tice Street, this tract is situated in Section 19 of Copeland Township.

FSA CROPLAND ACRES: 156.05
132.06 Corn Base Acres with a PLC Yield of 202.

**Farm program Information is estimated and subject to change since it is currently combined with additional tracts. Base Acres will be adjusted per the default method when the Farm is reconstituted by the Gray County FSA office.*

***Cropland acres are based on county FSA information and may vary from the current farming operation.*

**Buyer will assume any and all contracts related to participation in the Conservation Reserve Program (CRP). All CRP income will be prorated to the date of closing.*

18.46 ACRES M/L

TRACT 9 totals 18.46 acres m/l and contains the headquarters of the Jantz family farming operation. The grain facility consists of two 45,000 bushel Butler Grain Bins with cone bottoms, two 24,000 bushel Superior Grain Bins with full floors and one 10,000 bushel Superior Grain Bin with a full floor. In addition to the grain storage, the facility also includes a 4,000 bushel/hr Schlagel Grain leg, a 1,300 bushel/hour overhead loadout, and a 45'x10' scale. The headquarters also includes a 54' x 96' Morton machine shed with a 36'x54' heated shop built in 1981. Additional farm storage includes two 24'x36' utility buildings and multiple small farm buildings. Located along the south side of County Road CC, this tract is situated in Section 27 of Copeland Township.

*CRP information is currently combined with Tracts 6 and 8. If Tracts 6, 8, and 9 sell separately, the CRP contracts will be reconstituted by the Gray County FSA office.

*Buyer will assume any and all contracts related to participation in the Conservation Reserve Program (CRP). All CRP income will be prorated to the date of closing.

HEADQUARTERS

BRIEF LEGAL: Parcel A in NW 1/4 of 27-28S-30W

ESTIMATED REAL ESTATE TAXES: \$7,526.32

The taxes for this tract are currently combined with Tract 6.

158.50 ACRES M/L

TRACT 10 totals 158.50 taxable acres m/l that consists of approximately 154.91 FSA cropland acres m/l of which 94.41 acres m/l are enrolled in three CRP contracts through October 2026, 2030, and 2035 respectively with a total estimated annual payment of \$3,800. Primary soil types include the productive Richfield silt loam and Bridgeport silt loam. Tract 10 is improved with one pivot which provides irrigation for approximately 123 acres. Located on the northwest corner of County Road CC and County Road 3, this tract is situated in Section 20 of Copeland Township.

*CRP information is currently combined with Tract 13. If Tract 10 and 13 sell separately, the CRP contracts will be reconstituted by the Gray County FSA office.

FSA CROPLAND ACRES: 158.91

158.91 Corn Base Acres with a PLC Yield of 217.

*Farm program Information is estimated and subject to change since it is currently combined with additional tracts. Base Acres will be adjusted per the default method when the Farm is reconstituted by the Gray County FSA office.

**Cropland acres are based on county FSA information and may vary from the current farming operation.

*Buyer will assume any and all contracts related to participation in the Conservation Reserve Program (CRP). All CRP income will be prorated to the date of closing.

1.69 ACRES M/L

TRACT 17 totals 1.69 acres m/l and contains a grain storage facility conveniently located along the US Highway 56 on the edge of Copeland, Kansas. The grain bin site currently has one 138,000 bushel Behlen grain bin and one 55,000 bushel Martin Tanks grain bin. In addition, the site also includes four 20,000 bushel concrete tanks utilized for additional grain storage. Improvements to the facility include 4,000 bushel/hour Sukup Grain Leg, a 1,300 bushel/hour overhead load out, and a 45'x10' grain scale and scalehouse. This tract is located in Section 7 of Copeland Township.

BRIEF LEGAL: Tract in N 1/2 of NE 1/4 of 7-29S-30W
ESTIMATED REAL ESTATE TAXES: \$3,811.20

AUCTION TERMS & CONDITIONS ✂

1. BIDDER REGISTRATION. In order to bid at the auction you must enter into a “Qualified Bidder Agreement” and receive a bidder number from Peoples Company and/or The Lund Company Cushman/Wakefield (the “Auction Company”), at which point you will be a “Qualified Bidder”.

2. ACCESS TO DATA ROOM. The Auction Company has set up an electronic data room(the “Data Room”) where prospective bidders may examine documents pertaining to the sale. The documents will include pro forma title insurance commitments and the form of the contract that each successful bidder will be required to sign immediately upon acceptance of the winning bid. If it is your desire to obtain access to the online Data Room please contact the Auction Company.

3. AUCTION METHOD.

(a) The real estate will be offered in 17 individual tracts or combinations thereof (the “Property”).

(b) Bidding will remain open on all tracts or combinations thereof until the close of the auction as determined by the Auctioneer or as directed by the Seller and announced by the Auctioneer. A Qualified Bidder may bid on any tract or combination of tracts and the Seller may sell any tract or combination of tracts. If either the Seller or the Auction Company determine, in the exercise of their sole discretion, that a Qualified Bidder’s participation or further participation in the auction is not in the best interest of Seller, such Qualified Bidder shall be immediately deemed a “Disqualified Bidder”, and the Disqualified Bidder’s participation in the auction may be stopped and any bids made by the Disqualified Bidder shall be disregarded.

(c) Handling of the Auction and increments of bidding shall be at the discretion of the Auctioneer. The Auction Company reserves the right to enter bids on behalf of Qualified Bidders, whether participating in person, electronically, via phone or by proxy. All decisions of the Auctioneer at the auction are final.

4. PURCHASER’S PREMIUM. Purchaser will be responsible for payment of a premium of Three Percent (3%) of the purchase price, such amount to be payable at Closing.

5. APPROXIMATE ACRES OF TRACTS & IRRIGATION EQUIPMENT INFORMATION. Refer to the Data Room, which may be updated from time to time, for approximate acreages, personal property information, rights being included in the sale and any disclaimers involving the Property. Any and all references to acreages in these Terms & Conditions or throughout any marketing materials is a reference to assessed acreage per the Gray and Haskell County, Kansas Appraiser’s Office.

6. AGENCY. The Auction Company and its representatives are agent of Seller.

7. FARM PROGRAM INFORMATION. Farm Program Information is provided by the Gray County, Kansas Farm Service Agency. The figures provided in the marketing materials are the present best estimates of the Seller and the Auction Company. However, Farm Program Information, base acres, total crop acres, conservation plans, etc. are subject to change when the Property is reconstituted by the Gray County FSA and NRCS offices. For updated information, you should access the Data Room.

8. DOWN PAYMENT. A ten percent (10%) down payment is required on the day of the auction for each tract purchased. In the event a Purchaser is granted early possession of a respective tract, an additional ten percent (10%) down payment is required for a total down payment of twenty percent (20%). All funds will be held by First American Title Insurance Company in Garden City, Kansas.

9. CONTRACT & TITLE COMMITMENT.

(a) Immediately upon the conclusion of the auction, the winning bidder(s) must enter into a Contract for the Sale of Real Estate (“Contract”) and deposit the required down payment. The Contract will be substantially in the form posted in the Data Room, which the terms and conditions of such, are non-negotiable. Any failure or refusal to immediately sign the Contract upon the conclusion of the auction will be considered a violation of the Qualified Bidder Agreement, including, without limitations, any monetary damages found therein.

(b) The terms and conditions of the executed Contract shall govern the sale of the Property and shall supersede all other communications, negotiations, discussions, representations, brochures or information provided regarding the Property, regardless of when such communication or material was made, including, without limitation, this marketing brochure and these Terms and Conditions.

(c) The Seller shall furnish a recent pro forma commitment to issue an ALTA Owner’s Policy (2006) in an amount equal to the purchase price.

(d) Any additional title insurance coverage or endorsements requested by Purchaser or its lender shall be provided and paid for by Purchaser.

(e) Seller shall deliver to Purchaser at the time of closing, a good and sufficient general warranty deed or Trustees’ deed, as may be appropriate, conveying marketable title to the purchased Property to Purchaser and, as applicable, an assignment and/or bill of sale for any related property to Purchaser.

(f) The cost of the title insurance policy, title company fees and any closing costs, not associated with any financing of the Purchaser, shall be split equally between Seller and Purchaser. Purchaser shall be solely responsible for any costs associated with any financing Purchaser may obtain.

10. FINANCING. Purchaser’s obligation to purchase the Property is unconditional and is not contingent upon Purchaser obtaining financing. Any and all financial arrangements are to have been made prior to bidding at the auction. By the mere act of bidding, the bidder makes a representation and warrants that the bidder has the present ability to pay the bid price and fulfill the terms and conditions provided in the Contract.

11. CLOSING. This Contract shall be closed at such place as is mutually agreeable to Seller and Purchaser. The closing date shall be on or about September 8, 2021, unless additional time is needed to provide marketable title. The balance of the purchase price shall be paid at closing in a form satisfactory to the closing agent in its sole discretion.

The growing crop will be included in the sale!

12. TAXES AND ASSESSMENTS. Seller shall pay all taxes and assessments on the Property for the year 2020 and all prior years. Purchaser shall be responsible for all subsequent taxes and assessments, including all taxes and assessments for the year 2021.

13. WATER RIGHTS. Overlapping water rights and/or place of use across tracts that are purchased by separate Purchasers at auction will be addressed by Seller through filing applications to divide water rights and/or filing applications to change the place of use after the auction results are finalized. Proposed applications are available in the online Data Room to review prior to the auction and Purchaser is bidding subject to any such applications. The Chief Engineer’s acceptance of the application is not a condition to the closing of the Contract.

14. MINERAL RIGHTS. All mineral rights will be included in the sale of the Property. Seller makes no other warranty or guarantee as to Seller’s claim to ownership of or rights to minerals in, on, or under the property.

15. POSSESSION. Possession of the Property shall be granted to Purchaser upon closing, unless otherwise stated herein. The Seller, in Seller’s sole discretion, may grant early possession of the Property to Purchaser, subject to the aforementioned down payment and execution of a standard lease agreement, which shall be substantially in the form available in the online Data Room.

16. CONDITION OF PROPERTY. Purchaser is accepting and Seller is conveying the Property in the same condition as it is now, without warranty by Seller or Seller’s broker or agent, as to the physical condition, property lines, noxious weeds, crop yields, operations or any other matter affecting the Property. Purchaser shall not rely upon any statement or representation made as to the Property, unless the same is expressly set forth herein, is found in the online Data Room or is specifically implied by Kansas law.

17. SURVEYS. Surveys will be provided for Tracts 9 and 14 only. No additional survey or staking will be paid for or provided by Seller. Acreages of the remaining tracts are subject to change, but the purchase price will be based upon acres used in the marketing brochure or as otherwise announced by the Auctioneer. Purchaser will be responsible for the commission and cost associated with any surveys done on any purchased tracts.

18. INSPECTIONS. Each potential bidder is responsible for conducting, at their own risk, any independent inspections, investigations, inquiries and due diligence on the Property. To arrange for any such inspections, potential bidders should contact the Auction Company. A bidder shall be liable for any damage sustained to the Property as a result of any such inspections. Invasive testing is prohibited without Seller’s prior written consent.

19. DISCLAIMER.

(a) All tract boundaries shown in this marketing brochure and any marketing materials are just sketches and are presumed to be accurate according to the best available information and knowledge of the Auction Company.

(b) Overall tract acres, tillable acres, CRP acres, pasture acres, etc. may vary from figures stated in the marketing materials and will be subject to change when the tracts are reconstituted by the Gray County FSA and NRCS offices.

(c) All references to “M/L” in this marketing brochure and any marketing materials refers to “more or less”.

(d) All references to “NCCPI” in this marketing brochure and any marketing materials refers to the “National Commodity Crop Index”.

(e) All references to “FSA” in this marketing brochure and any marketing materials refers to the “Farm Service Agency”.

(f) All references to “NRCS” in this marketing brochure and any marketing materials refers to the “Natural Resources Conservation Service”.

(g) All utility information should be independently verified by Purchasers.

(h) Purchaser and Purchaser’s tax and legal advisors should perform their own investigation of the Property prior to bidding at the auction.

(i) The brief legal descriptions in the marketing materials should not be used in legal documents. Full legal descriptions will be taken from the title insurance commitments and, if applicable, any surveys.

(j) Pivot descriptions, engine observations, and well tests, were provided by a third-party service. Configurations and conditions should be independently verified by Purchaser. The third-party full reports will be made available in the online Data Room.

20. OTHER.

(a) The sales are subject to all easements, covenants, leases, prior mineral reservations and sales and restrictions of record in place. All Personal Property, including but not limited to grain bins, scales, buildings, pivots, pumps, and wells will be sold on an “As is-Where is With All Faults” basis with no warranties or guarantees, expressed or implied, made by the Auctioneer, the Auction Company or Seller.

(b) No warranty, either express or implied, or arising by operation of law concerning the Property is made by the Seller or the Auctioneers and is hereby expressly disclaimed.

(c) If a site clean-up is required on any of the tracts it shall be at the expense of the Purchaser of each tract.

(d) Any announcements made on the day of the auction by the Auctioneer or Auction Company will take precedence over these Terms and Conditions and all previous marketing materials or oral statements.

(e) Bidding increments are at the sole discretion of the Auctioneer.

(f) No absentee or phone bids will be accepted at the auction without prior approval of the Auctioneer.

(g) All decisions of the Auctioneer are final.
